

Grocery service

Covid-19 community response

Grocery service available

The Bell Inn Monkleigh, Monkleigh Garage and local suppliers are working together to make basic groceries available to villagers in Monkleigh and Saltrens, Landcross, Littleham and Weare Giffard.

We're able to get a range of food and non-food items, all sourced from local suppliers who can deliver daily or weekly to the Bell Inn, enabling you to collect the items, or we can ask volunteers in your village to deliver to your door if you're self-isolating.

The order form is available on the Bell Inn website, and Littleham and Landcross Community Facebook page.

Please call 01237 479459 if you would like a paper copy and we can get this delivered to you.

We are able to get

- Fresh fruit and veg
- Meat from Wares in Torrington
- Store cupboard staples
- Non-food items

See overleaf for information on how we plan to offer this service whilst maintaining social distancing protocols

How to order

1. Phone your order through to ☎ 01805 938285 OR ☎ 01805 623157.
2. We will call you back to confirm your order and let you know if any items are not available.
3. Most items can be delivered the next day - please call the following day so we can give you a collection time. **This is important, as we can maintain social distancing protocols if you come at your allocated time.**
4. Come to the rear door of the BELL INN MONKLEIGH (accessed via the car park) to collect your order and make payment - cash is fine but we'll be encouraging card payments over the phone.

Points to note

We have volunteers in the villages who would be happy to deliver your order if you're self-isolating, following strict protocols to make this as safe as possible - call and we'll talk you through this process.

As we're ordering from suppliers who usually provide items in bulk, some produce we will have to weigh out for you. In this instance we're asking you to bring your own containers. We will wear disposable gloves at all times and change these between orders.

We will only be able to provide this service as long as Government guidance permits us to - if this changes, we will let you know via our online platforms.

We are also conscious we can only provide this service provided we (Roy and Sally at the Bell Inn) stay healthy. If we show any signs of illness, we will work with Debbie and Geoff at Monkleigh Garage to organise alternative collection arrangements.
